WELCOME TO SEE THE CHANGE!

A STEP BY STEP GUIDE TO JUSTGIVING **JustGiving™**

Each participant will need to set up a JustGiving page linked to the See the Change challenge campaign.

If you're entering as a team, you'll need to assign a **Team Leader** to set up your team page. And each member of the team needs to create an **individual fundraising page** and join their **Practice team**.

Once a Team Page is set up, the Team Leader can invite all team members via email.

Follow the below steps to get started:

STEP 1: VISIT THE SEE THE CHANGE CHALLENGE PAGE HERE.

Or use the link

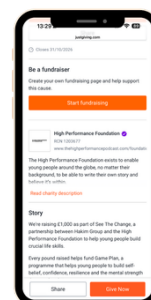

www.justgiving.com/campaign/seethechangechallenge

STEP 2: HIT 'START FUNDRAISING'

STEP 3: CREATE A JUSTGIVING ACCOUNT

STEP 4: SET YOUR TARGET, PERSONALISE YOUR PAGE, AND LAUNCH YOUR PAGE

CREATE OR FIND A TEAM

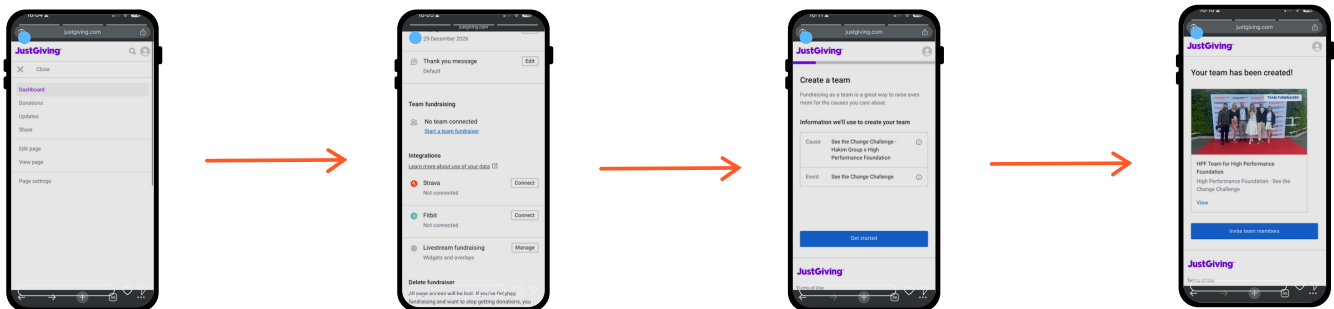

From your personal fundraising page hit the **menu** and scroll down to '**page settings**'.

To create a team, under 'Team Fundraising' hit '**Start a team Fundraiser**'.

Ensure the **See the Change Challenge campaign and event** is selected and then follow the **same steps to set up a team** as you did for your individual page and 'create team.'

You can then invite team members via WhatsApp, Email, SMS or copy the link.

THAT'S IT!

Individual fundraising totals will automatically contribute to your practice total, helping you climb the leaderboard and smash your target!
